

Coastal Clean-up

Maitlands to Van Stadens

The closing date for this run has been extended till Friday 20 May. Please book as soon as possible as this run will then be opened to the public and we really don't want you to lose out on this epic run.

This **new club event** will be on **4th June 2011**

There are only **15 vehicles allowed**, so it will be “first come first serve”.

If you would like to attend this run please forward me the following information **immediately**:

- Drivers name & surname;
- ID number; and
- Vehicle registration number to obtain special permit from Cape Town

Black Bags will be provided.

Each driver need to bring along **at least 4 passengers**.

Every person will be required to come to the social on 6th May 2011 at the Voortrekker Hall in Sunridge. We will have a guest speaker to explain the logistics of a beach clean-up and also to talk to us about the debris in our coasts. **Our guest speaker is John Kieser** he is the **Environmental Manager (Cape).**

Don't know when we are going to get such an opportunity again. Let's all support this worthy cause.

Thank you

Ann van der Berg
