

SHORT FEEDBACK – CHRISTMAS RUN 2007

Congratulations to all the organizers of the 2007 Christmas Run for all your hard work in making a huge success of the weekend. Although one tries not to mention names, for fear of leaving someone out, we must in this case sincerely thank Willie Malan, affectionately known as “Chainsaw Willey”, for his hard work, dedication and enthusiasm in making this Christmas run the most enjoyable ever. Chainsaw, the slides, music, tent and Christmas lights were bakgat!

Bennett - gathering the children around and telling them the true meaning of Christmas was humbling. To the chefs and cooks – what a wonderful feast - we could have fed the entire Africa. It was indeed the nicest “ondersteboskaap” we have ever had – not even to mention all the side dishes. The company, friendships and camaraderie, the 5 star accommodation and all the laughs made it all the more special – it was just great fun! To those of you who missed out on this one ... you really missed out a lot.

Dear Johan and committee members

On behalf of myself and my family I want to thank you for all the trouble and effort you put into the Christmas Run. It was my family's first club run and they felt right at home from the start.

The facilities were superb, the atmosphere magnificent and the catering out of this world. Thanks for the attention and love given to our little one - she is really blossoming after the weekend.

Thanks again for the effort and interest shown by all to make my family and myself feel part of the club.

I hope that you and your family will have a blessed Christmas and a prosperous 2008.

Kind regards.

MIKE, LE-ANNE AND MIEKE DE KOCK
